Features

Stay Connected from Anywhere

MOBILE APP
ROOM MONITOR
DOOR STATION

With the Video Intercom System that comes with Mobile App, you can monitor your front gate and communicate with visitors no matter where you are. Whether you're at home or away, your security is at your fingertips.

Panasonic
VL-VC5555BX

Swipe Card & Door Access

Supporting up to 10,000 Mifare key cards, the Door Station features two independent relay outputs to control two separate electric locks for different doors or gates.

2 Wire Models

A 2-wire connection links the Door Station and Room Monitor, enabling effortless installation—even compatible with existing doorbell cables for seamless setup

2 Wire*
